Description

Highly original, extendable table with great personality. This table, available in 3 different sizes, has a decidedly unusual personality, the inclination of the legs evokes dynamism, the linearity of the top bestows great visual stability.

The legs are in laser-cut steel in different sizes and geometric shapes, available in numerous combinations of colors. Both, top and leaves, are available in veneered wood or ceramic. Adaptable, sculptural, a reliable central feature in traditional or more contemporary contexts thanks to the numerous possibilities of personalization. Made in Italy.
