

Filly

Design: Bartoli design

Description

Sophisticated collection of padded chairs with bold silhouettes. In the version upholstered entirely in fabric, leather, eco-leather or emery leather (black stitching and edge), it shows a more understated face; instead, it reveals a more dynamic look in the variant in which the original metal legs are visible. Plastic feet with replaceable felt pad.

This chair is available in the following versions, for a functional and aesthetically consistent result: with a higher backrest for increased comfort (Filly up) with a wider and more generous seat (Filly large), with a high backrest and large seat (Filly large up), with armrests (Miss Filly and Miss Filly up).
Made in Italy.
