Description

Fixed table with powder coated aluminum structure (bracket+frame) and metal or teak wood legs. The shaped or rectangular top can be customized with HPL (High-pressure laminates) bush-hammered Ceramic or Teak wood. Extremely solid and resistant, these tables are perfect for the outdoors; for use in patios, gardens and terraces, for restaurants or homes. Also offered in the low version that perfectly matches with sofas and lounge chairs for a more relaxed dining experience. Made in Italy.
