

Sillón

Design: Lievore Altherr Molina

Description

Swivel armchair that reaches maximum comfort especially if used together with the pouf, which is swivel as well. Covers are completely and easily removable.

The frame is made of plywood and padded with very high density differentiated polyurethane; the armchair is sprung with interwoven elastic belts. The lining consists of fabric coupled with polyester fibre. Sillón is provided with a 360° swivel trestle with four-legged support structure in aluminium cast available with following finishes: polished, with non-toxic powder in white matt or in dark grey micaceous painted. The seat cushions are made of non-deformable polyurethane plus Dacron® Dupont Gold-Filigrana™.
