

De-Symetria

Design: Luca Scacchetti

Description

The De-Symetria model is available in several combinations.

- Top made with particleboard panels and veneered wood.
- 2 Legs made of melamine coated panel with edges covered in saddle leather and central part in matching veneered wood as the top. On the legs there is a cross-shaped chromed steel element that acts as a support for the top to which it is fixed.

The metallic parts are available in chromed steel only.

Made in Italy.
