

4607

Design: Barovier&Toso

Description

The most classic Venetian chandelier, impressive in its magnificence. Multitude of decorations and the transparent purity of the crystal make 4607 an exclusive Italian chandelier suitable to the most important palaces on the Grand Canal.

Stunning Murano Chandelier made in Italy, available in three sizes. This designer lighting collection is available in Crystal finish, as well as Polychrome, Bluastro, Crystal with gold decorations and Gold. Made with exclusive, handmade Murano glass floral details and structure. The metal parts are in polished chrome finish or galvanized gold (Gold Murano Structure only).

This Traditional Murano Chandelier is a luxury work of art. An elegant and impressive chandelier that will stand out massively. Made in Italy.
