

## Dumbo

*Design: Archirivolto*

### *Description*

Chair distinguished by a strong and incisive character. The thick wooden base is the result of refined materials and of the Italian manufacturing's expertise. The natural wood grains are enhanced by the comparison with the upholstered seats covered in soft leather or fabric. The cover is not removable. Made in Italy

#### Technical information:

Frame in stained or matt varnished solid ash wood. Seat in Russian birch, fir/pine and beech plywood, back in beech and fir/pine plywood. Polyurethane foam with variable density padding.

### *Dimensions*

19"5/8W x 22"7/8D x 32"1/4H

**Seat height: 18"7/8**
