

Melody

Design: Gregorio Facco

Description

Suspension lamp created with delicate fumé glass lampshades suspended in mid-air, like notes on a music score creating a harmonious and elegant melody.

The lampshades are designed in different shapes and sizes, allowing you to create several configurations: either hanging from the ceiling individually or in groups of 5 or 10 pendants, fixed to a round socket. Consistency is given by the round central light bulb suspended inside each lampshade. Made in Italy.

Light source:

1 LED bulb 1,5W G4 socket 110lm 3000k.
