

Phoenix

Design: STC Studio

Description

Suspension lamp available in two models: a rectangular model, long and narrow, and a round one. Both versions are suitable for enhancing the shapes of the tables placed below them, with either rectangular or round tops.

The beauty of this lamp comes from the handmade glass elements held together by an outer brushed steel band. Made in Italy.

Light source:

S1: led 40W 3300lm 3000K.

S2: led 50W 4500lm 3000K.

S3: led 36W 4300lm 3000K.

S4: led 54W 6700lm 3000K.
