

## 38V Stem

### **Description**

Ceiling mounted stem fixtures come in unlacquered brass or black powder coated finish.

Made with clear glass exterior spheres and milk white interior lamp holder cavities.

A large glass sphere is blown with a multitude of haphazard interior cavities, which intersect and collide in unpredictable ways.

LED lamps and power supplies are included.

38.12V ceiling mounted requires remote mounted power supplies.

Ø3"5/8 x 1/4" canopy available for remote power supply.

Remote mounted power supplies recommended for ease of long term maintenance.

Installation to be done by certified personnel to ensure code compliance.

**Lamp:** 1W LED, 2700K, 100lm

**Materials:** Blown glass, brass stem, electrical components

**Power Supply:** Integral, except for 38.12 stem

Bocci recommends remote mounting power supplies for ease of long-term maintenance.

**Environment:** Indoor, dry location. IP20
