

38V Stem

Description

Floor to ceiling lamp with structure in black or brass finish.

Made with clear glass exterior spheres and milk white interior lamp holder cavities.

A large glass sphere is blown with a multitude of haphazard interior cavities, which intersect and collide in unpredictable ways.

The spring loaded spike system allows for both vertical and angled installation.

LED lamps and power cord are included.

Dimmable with build-in dial control.

Lamp: 1W LED, 2700K, 100lm

Plug Types: Type A - 110V

Cable Length: 90"1/8 black flexible cord.

Materials: Blown glass, brass stem, electrical components

Power Supply: Integral, dial control with build-in dimmer

Environment: Indoor, dry location. IP20
