

Cristallino

Design: Adriano Design

Description

Foosball table with structure in thick tempered crystal, increasing the game speed. Crystal in clear finish with beveled and cerium oxide-polished corners. Playing field in laminated crystal (a molded sheet that slopes at the corners) in transparent finish. There's another version with the playing field in smoked finish. Players made of aluminum: one team in shiny chrome and the other in dark nickel. Chrome-plated brass handles and scoring units. Quick mount handles that fit perfectly and can be removed and replaced. Rod ends featuring two layers of shock absorption. Rods are equipped with special, self-lubricating bearings so that they slide back and forth quietly, smoothly and quickly. Goals with polished stainless steel frames and handcrafted black nets. Hidden, adjustable feet for leveling table. Brass and stainless steel joints that are milled, chrome-plated and polished. Made in Italy.
