

Avant

Design: Gabriele e Oscar Buratti

Description

Avant is a family of containers consisting of a sideboard, with legs in two heights, and a cabinet. The Avant cupboard is composed of a case in veneered ash wood, and the upper edge of the hinged doors and backrest in solid ash wood. Inside, tempered black back painted glass shelves and, on request, drawers positioned at the top. The top is available in marble or tempered black back painted glass. The project is completed by the detail of the essential bronzed brass legs and the soft closing hinges. Made in Italy.

Finishes and materials
