

Blossom

Design: Bernhardt & Vella

Description

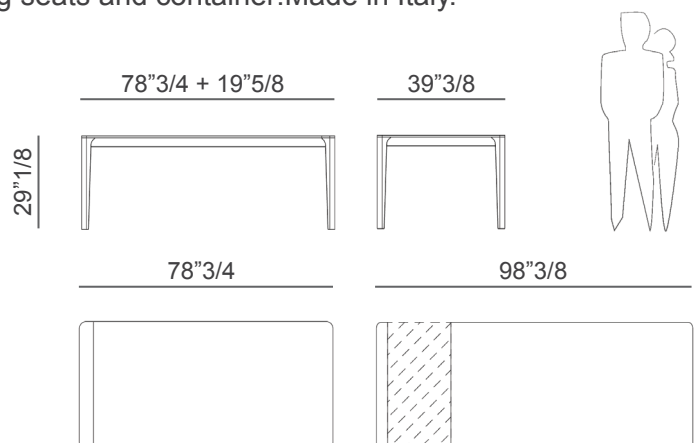

Blossom is a collection made of seats and extendable table, with ash wood structure.

The Blossom table, entirely in ash wood, presents fine but refined details: from the mechanism that allows it to be extended, elegantly concealed from view, to the essential and slightly inclined legs, to the top with minimum thickness.

An example of the company's ability to work with wood, the Blossom table, with its distinct elegance, complements the homonymous collection, including seats and container. Made in Italy.

Dimensions

78"3/4W x 39"3/8D x 28"3/4H
 Extends to 98"3/8W (78"3/4 + 19"5/8)

Finishes and materials

Base & Top: Wood
