

Ercole

Design: Barovier&Toso

Description

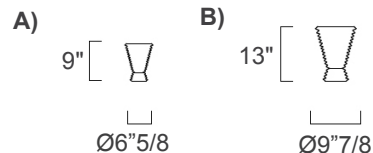

Inspired by an original idea by Ercole Barovier in the 1940s and created using the 'rostrato' technique he had just invented, the Ercole collection is distinguished by a rich play of light that creates a sense of luxurious glamour. It comprises two table lamps in different sizes: the bigger of the two includes an additional light source inside the base, controlled separately. UL listed lighting. Made in Italy.
