

Circus

Design: ModoLuce R&D

Description

Circus is a suspension lamp defined by generous proportions that combine light, style, and acoustic comfort. Designed to enhance both visual and sound quality in interior spaces, it functions as an effective sound-absorbing element while providing soft, diffuse illumination. Available in cylindrical or elliptical versions, Circus is certified for acoustic performance and upholstered in refined textile finishes including velvet, wool, For Nature, and Kvadrat fabrics. The opal plex underside gently diffuses the light, creating a warm and comfortable atmosphere ideal for both residential and contract environments. Uplight and downlight on demand. Made in Italy.

Light bulbs not included.

Acoustic comfort. Sound absorbing.

IP20. CE Certified. Wiring system with ETL on demand.

Circus

Dimensions

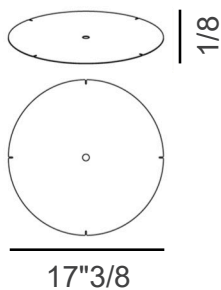

- SIZE A:** Ø19"5/8 x 16"1/2 (Cable: 78"3/4)
SIZE B: Ø27"1/2 x 13"3/4H (Cable: 78"3/4)
SIZE C: Ø39"3/8 x 13"1/4H (Cable: 78"3/4)
SIZE D: Ø47"1/4 x 13"1/4H (Cable: 78"3/4)
SIZE E: Ø59" x 19"5/8H (Cable: 78"3/4)

Light Source

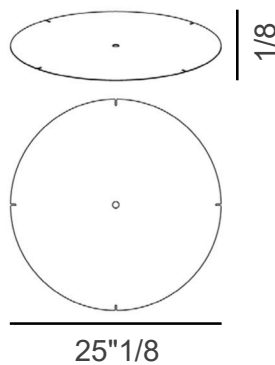

- SIZE A:** 3x E26 max watt 70W HES or 1 LED module 23W - 3628 Lm - 2700 °K
SIZE B: 3x E26 max watt 70W HES or 1 LED module 23W - 3628 Lm - 2700 °K
SIZE C: 4x E26 max watt 105W HES or 1 LED module 23W - 3628 Lm - 2700 °K or 1 LED module 57W - 8750 Lm - 2700 °K.
SIZE D: 4x E26 max watt 105W HES or 1 LED module 23W - 3628 Lm - 2700 °K or 1 LED module 88W - 12380 Lm - 2700 °K.
SIZE E: 6x E26 max watt 105W HES or 1 LED module 88W - 12380 Lm - 2700 °K.
