

Il Pezzo 12

Description

Il Pezzo 12 is an ethereal female figure suspended in the air, carrying in her womb the light. It's nimble, refined, addictive. A solid clearest crystal, beautifully creates a diffused ambient lighting and casts mesmerizing patterns throughout the room. The crystal is elegantly suspended between a brass stem, available in various finishes. Replaceable LEDs included.

The 'Missing Piece' (or 'Pezzo Mancante' in Italian) is a small brass cylinder embedded within every piece. It contains a serial number that certifies the authenticity and uniqueness of the piece itself. Made in Italy
