Design: Ferruccio Laviani

Description

Exclusive desk with top and leg made of particleboard panel veneered. The top is equipped with a plug box with 2x universal power sockets, 1x Schuko, 2x USB, 1x Audio 3.5, 1xHDMI, 2x RJ45 with a Soft leather cover cap. The desk is always equipped with a leg and a front element that comes out from the top, which is in New Saint Laurent marble. This desk has a fixed return cabinet.

The return cabinet has a veneered frame; it always has the base, the feet and one side in matching veneer as the desk top. The top of the return cabinet is covered in Soft leather or in matching veneered wood with the desk top. In both cases the doors or drawers are in the same finishes (matching leather fronts with the return cabinet's Soft leather top or matching wood fronts with the return cabinet's wood top); the opening mechanism is always with a push & pull system. The return cabinet has on its internal side 2 drawers and 1 door and on the external side (back) it has 1 flap door. Handles in titanium color painted steel. The internal shelves are always made of black melamine while the drawers are in matt black beech plywood with steel guides.

Made in Italy.
