

Kefa

Design: Matteo Nunziati

Description

The High-end Kefa office sideboard comes with the top and sides in leather and the fronts, with drawers and doors in different configurations, are available in wood veneer. The handles are always in Titanium color varnished aluminum profile. The internal shelves are in black melamine coated panels while the drawers are in beech plywood panel black matt lacquered with steel slide runners with damped close. A designer office cabinet in an elegant Contemporary style. This functional Italian sideboard is the ideal complement to any sophisticated office. Furthermore, it goes to perfection with the Italian designer Kefa Desks. Made in Italy.
