

Butterfly

Design: Nucleo+

Description

Fixed table with metal base offered in different finishes. The top in 5/8" is available in clear or extra clear glass with reversed beveled edges. Also available in the version with top in extra clear textured (MIST) glass. The top is laid on the base.

The Butterfly collection is a sinuous architectural project that cannot go unnoticed. The steel base becomes the star of the modern living areas with a sculpture-like style and a reference to the elegance of nature. The glass top of this console, takes on an unprecedented shape with rounded sides, whose proportions arise from the harmonious design of the base. Made in Italy.
