

# Mad Max CrystalArt

*Design: Paolo Cattelan*

## *Description*

Fixed table with a metal base in embossed lacquered steel or in lacquered steel. The base forms two parallel Xs and supports the top which can be rectangular or shaped and is made in 1/2" thick extra clear bevelled glass with a charming artistic decorative printing (named CrystalArt) offered in different colors. Simplicity and originality are perfectly balanced in the design of this table. Made in Italy.

### Technical information:

Base in steel with epoxy powders varnished. Frame in steel varnished with epoxy powders matt black. Top in extra clear tempered glass, 1/2" of thickness, with artistic rear white varnished digital print. Suitable only for indoor use.
