

Penelope

Design: Paolo Cattelan

Description

Fully upholstered chair, covered in fabric or leather, available in a variety of colors, with matching stitches that enhance the seat shape.

At the same time a thin decorative metal profile in gunmetal grey underlines the shape of the backrest. Made in Italy.

Technical information:

Frame in steel varnished with epoxy powders. Seat in birch plywood and polyurethane foam with variable density padding. Back decoration in plastic material.

Dimensions

19"5/8W x 22"7/8D x 34"1/4H

Seat height: 19"1/4
