

Adam

Design: Carlo Colombo

Description

Double bed with structure in painted metal profiles, pewter finish, with completely removable covers in fabric, leather or saddle leather. The plywood structure of the headboard is completed by cushions, in cold foamed expanded polyurethane lined with fibers, covers are removable and enriched by a piping in leather. The bed base, in plywood and cold foamed expanded polyurethane lined with fibers, features removable covers in fabric or leather and is equipped with height-adjustable bed supports. The central crossbar is in painted metal with supports to regulate height to use single slat bases. Feet in solid beech with matt polyurethane polishing. Made in Italy.
