

Adam

Design: Carlo Colombo

Description

Sectional composed of various seat modules, available in three different widths, with structure in poplar plywood and painted metal in pewter color. Feet in solid beech wood. The external metal structure features completely removable covers in fabric, leather or saddle leather. Paddings are in goose feathers with inserts in flexible multi-density polyurethane and the completely removable covers are in fabric or leather. The following accessories are available for the armrests: left or right covers available in fabric, leather or saddle leather; left or right covers with pockets available in leather or saddle leather; left or right storage box in saddle leather; left or right low table available in canaletto walnut, saddle leather or marble. Decorative feather cushions with removable covers are available on demand. Made in Italy.
