

Flow Stool

Design: Jean Marie Massaud

Description

Outdoor stool of great impact and comfort completing the Flow Collection.

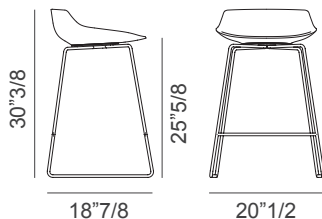

The shell is made from moulded polyurethane in goffered matt white or black. The polyurethane used, called TECH®, is a high-density structural material that provides great resistance to impact, scratches and aging.

Sled base in steel wire, painted matt white or matt graphite grey matching the shell color. The white sled base has white feet and the graphite grey sled base has black feet. Made in Italy.
