

# Sculptural Cable 28

## **Description**

Suspension lamp designed to be horizontal, meaning that the pendants don't hang directly below, but instead trail off across a space, around a corner or simply deviate from their gravitational directive.

As such, this fixture is designed to be hung from any number of optional swag points mounted elsewhere from the canopy.

28s are possible with infinite versatility in color compositions, sizes and shapes.

The 28 semi-rigid is a flexible suspension system enables pendants to be nestled in close-knit groups or loosely composed in a wider field, allowing each piece to be perceived individually.

Each pendant comes standard with 137"3/4 of coaxial cable. Up-charge applies for lengths over 137"3/4.

Cable length can be adjusted on site. White, black or brushed nickel canopy.

Lamps and power supplies are included.

Pendant anchor kit included.
