

## Blabla

*Design: Marconato and Zappa*

### *Description*

Mirror made of a veneered wood panel, in Canaletto walnut or coal oak. The main feature of this mirror is the rounded profile of the metal shelf (maximum capacity: 10 kg) and the side panel (shelf positioned vertically as a decorative detail).

The Blabla collection consists of two different functional units, a bookcase panel and a mirror panel, which when paired together create a system of elements that can be individually positioned or combined in an elegant composition. Made in Italy.

Note: The mirror must be fixed to the wall.
