Description

Sofa with structure in wood for the seat and in metal for the backrest. Seat lining in bonded velveteen - polyurethane foam. Backrest in emery leather and removable upholstery in fabric.

The seat cushions are padded in shaped variable density polyurethane foam; lining in bonded cotton fabric - polyester fiber, while the back cushions are padded in shaped variable density polyurethane foam and silicone coated polyester fiber; lining in bonded cotton fabric - polyester fiber. The feet in rectangular sheet in matt painted metal, with tips in plastic material.

The linearity of the perimeter structure covered in emery leather balances and adds value to the upholstered part, creating a rigorous line that widens upwards from the bottom, merging with a sinuous and welcoming curve that leads back inwards. Also, to optimize the individual needs of comfort a square ottoman is available upon request. Made in Italy.
