

Filly Too

Design: Bartoli design

Description

Stool with structure in steel and high density, shrink-resistant rubber padding. Plastic feet with replaceable felt pad. Footrest with chromed "scuff plate" profile. Offered also in the Up model that comes with a higher backrest for more comfort.

Available In the version entirely upholstered in fabric, leather, eco-leather or emery leather which shows a more understated face, or in the variant with the original metal legs visible which reveals a more dynamic look. Made in Italy.

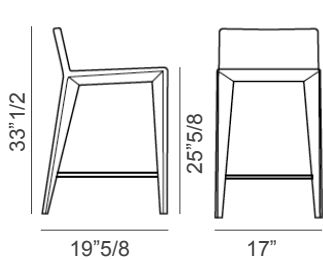

*Fabric removable. Leather not removable.
