

Itala Too

Design: Gino Carollo

Description

Stool with structure in steel and cold-foamed polyurethane padding. The comfort of the stool is guaranteed by the accentuated padding of the seat, while the backrest, which becomes slimmer as it reaches the top, defines the light and linear silhouette. Available in two different models:

. **With 4 metal legs:** the base and the footrest (stainless steel “scuff plate” profile) are offered in a wide range of colors to ensure maximum customization. Available in two different heights (counter and bar stool).

. **With swivel base:** the seat is height-adjustable with a gas piston incorporated into the base.

The upholstery is available in fabric, leather or eco-leather. Made in Italy.

Itala Too
