Option B with smooth back

Option A with detail on the back

Description

The rounded and soft lines of this stool bring to mind the world of nature: the seat is in fact smoothed as if it were a pebble, so as to make the stool, together with the footrest, even more welcoming for a well-deserved moment of relaxation.

Available in polypropylene or in emery leather upholstery. The seat is height-adjustable with a gas piston incorporated into the base. Made in Italy.
