

## Styiletto

*Design: Kris Van Puyvelde*

### *Description*

Stackable dining chair of ergonomic curves, with coated aluminum structure. Styiletto offers two chairs in one: simply lift out the centre plate of the seat and fill the space with a comfortable, colorful, quick-drying seat cushion. Now fill the 'window' in the backrest with soft padding and your Styiletto doesn't just become even more comfortable, but also gains in looks and style. Optional seat cushion available on demand.

### *Finishes & Materials*

**Structure:** Coated aluminum in White, Pebble, Sand, Bronze or Anthracite color.

**Covers:** Fabric cat. A, B, C.
