

Cima

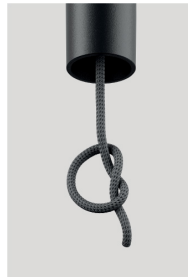

Design: Marco Dessí

Change the angle of the lamp body

Adjust the height of the joint

Set the rope at the desired length

Switch button on the power cord

Description

Lamp characterized by a ceiling-to-floor rope, a sleek and highly functional design element.

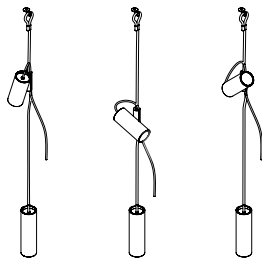

A joint that holds the lamp body slides vertically along the rope, while the counterweight allows to manage any excess rope. The simple cylindrical shapes and the black color of the metal structure, highlight the three brilliant finishes of the rope. Made in Italy.

Dimensions

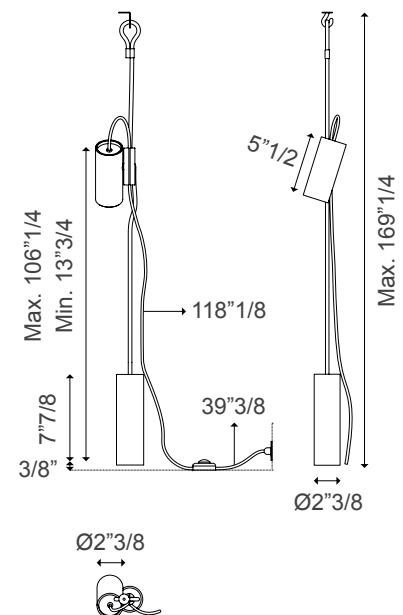

Ø2"3/8 x 169"1/4H Max.
