

Cody

Design: STC studio

Description

Suspension lamp with lampshade in artistic blown glass. Canopy in black chrome steel. This lamp consists of a glass dome like a lampshade cut in half. Inside is an inclined steel cylinder, illuminated by LED light. Cody expresses itself best with an asymmetrical composition on multiple heights, but can also show all its charm individually. Made in Italy.

Optionals:

- . 1-zone remote control + 1 receiver
- . Additional cable 78"3/4 long.
