

# Runner Leather

*Design: Paolo Cattelan*

## Description

Desk designed for everyday use, focusing on function and comfort. The height of this adjustable desk can easily be changed thanks to an ingenious electric motorized regulation system, promoting correct posture for your sitting position and allowing standing use. The base is available in embossed lacquered steel, while the top is offered in leather with matching stitching and profile. Made in Italy.

## Dimensions

46"3/8W x 22"7/8D x 28"3/8 - 43"1/4H
