

Terminal Keramik Drive

Design: Paolo Cattelan

Description

Extendable console to table that stands out for its finely selected design, quality and range of raw materials. It features a refined base in embossed lacquered steel and top in ceramic Marmi. The laminated extensions match the base. This console reaches 78"3/4 in length thanks to an ingenious mechanism of extensions and supports, turning into a magnificent table ready to welcome guests. Bag for extensions included. Made in Italy.
