

Circus

Design: Fabrice Berrux

Description

Coffee table which draws on the laws of physics for its contrast of quite different geometric shapes: the central base is surmounted by a large disc-shaped top, evoking a pleasant sensation of movement.

The table acquires strength and elegance in a unique balancing act, becoming the real protagonist of the living area.

The top is available in glass, while the metal base is offered in a wide range of metal finishes. Made in Italy.
