Description

Coffee table with a formal linear design, with a spacious surface area that showcases the typical decorative objects featured in living rooms.

This coffee table is almost at floor level, slightly raised on metal feet with a highly geometric shape. The imposing round or rectangular top, available in glass or ceramic, is outlined by a metal edge which contrasts with the almost invisible base. Made in Italy.

Dimensions

Round A: Ø37"3/4 x 11"H

Round B: Ø45"5/8 x 11"H

Rectangular: 63"W x 35"3/8D x 11"H
