Description

Desk with structure in solid and veneered Canaletto walnut, with inserts in saddle leather and bronze painted metal details. The top is available in three versions: planar, with a shelf in saddle leather with an integrated LED light (touch switch) or with two shelves in saddle leather, of which the one on the back side has the LED light. A chest of drawers, in Canaletto walnut with the front of the drawers in saddle leather, with a push to open system and a saddle leather shelf with an optional removable drawer, are available to complete the product. Both can be added on the right or on the left of the desk. Only for the version with the right chest of drawers is possible to insert on the top a multi-socket adaptor predisposed for one schuko socket, one RJ45 socket and one high-speed USB socket. Made in Italy.
