

Fang

Design: MVW

Description

Dining table with rectangular top composed of wood particles and solid and veneered Canaletto walnut. The top can have an insert in white onyx or an insert made up of a 2 or 3-tray kit in cold glass printed in stone gray color. These trays are fixed on a panel in Canaletto walnut and can be manually turned upside down to have the top totally plain. Central base in MDF covered with leather. Base and top inserts in painted metal. Made in Italy.
