

Kubrik

Description

Sectional with double reclining mechanism that allows to recline both backrest (with the headrest) and footrest separately, in order to achieve the best comfort and ergonomics. Keyboard to control reclining placed on the side of seating. Fabric or leather cover.

Also, extra accessories are available to maximize comfort: like pockets for arms and a swivel removable little table.

Offered in different compositions, Kubrik is perfect for home cinema or living areas.

Made in Italy.
