

## Kos

*Design: Presotto studio*

The image corresponds to Island composition 7

### *Description*

Sectional available in different compositions. The elements are fixed to each other in the lower part with metal stops to ensure stability.

Fir wood and poplar plywood structure (seat with elastic belts) with padding in polyurethane foam in different densities covered with resin-coated interliner in polyester fiber.

This modular sofa is raised off the floor, with non-slip feet and covered with removable fabric or leather. Decorative cushion available as an optional. Made in Italy.
