

P016

Design: Presotto Studio

Description

Fixed table with metal structure with aluminum legs and cross bars.

The tops can be made in Transparent Glass, Matt lacquered, Wood, Ceramic or Glossy Marble Effect. The legs are made from varnished metal in Black Epoxy, Metal Standard, Chrome, or Glossy Black Nickel.

The legs are a symmetrical pair with full sections and from oval-shaped extruded aluminum which acts as a link between the cast parts.

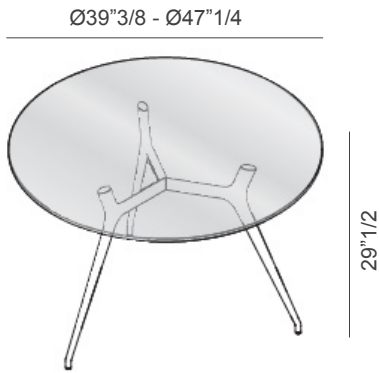

Made in Italy.
