

Colibrì

Design: Fabrice Berrux

Description

Chair padded in cold-foamed polyurethane with parallel-stitched seams which run along the entire length of the upholstery.

The thin metal structure of the base highlights the welcoming volume of the seat/backrest: a large “shell” with raised edges and generous proportions. The non-removable cover is offered in fabric, leather or eco-leather. Made in Italy.

Dimensions

22”3/8W x 22”7/8D x 34”5/8H

Seat height: 18”1/2
