

## Vague

*Design: Roberto Paoli*

### Description

Coffee table available in two different heights. Its shape is produced twice, once full as a base and secondly empty as a container. The metal upper section, which the grey concrete base elevates, is available in several colors and has a dual function: on one hand it is a container for magazines or other objects and on the other it is a support surface which is ideal for placing near a sofa. Made in Italy.
