

# Atrium Keramik

*Design: Lorenzo Remedi & Paolo Cattelan*

## *Description*

Fixed table with base in mirrored and quilted curved glass and rectangular, shaped or round top available in a wide range of ceramic Marmi finishes. Optional central swiveling tray Lazy Susan. The central base consists of two finely worked plates of quilted mirrored glass, creating a play of soft reflections, in which the surrounding objects and light sources reverberate. The glass is shaped with an unprecedented technique that gives the surface a three-dimensional effect like quilting on fabric. Made in Italy.
