

## Skyline

*Design: Carlo Colombo*

### *Description*

Sectional with structure in multi-layer and solid beech wood, with elastic straps. The seat is in expanded flexible multi-density polyurethane and memory foam, a flexible and thermo sensitive material. Armrests and backrests in high-density expanded polyurethane, covered with fibers. The padding is in goose feathers with inserts in expanded flexible multi-density polyurethane. The completely removable covers are available in fabrics or leathers as per collection or customer's own material. Feet in matt beech wood. Various modules and accessories available. Made in Italy.
