

## Kukei

*Design: Mauro Lipparini*

### *Description*

Sideboard available in two versions characterized by a symmetrical and asymmetrical structure moved to the right or left. Both versions are available with a metal base and metal and solid ash feet, or with a 30 mm h base in ash wood. In all versions, the top is available in ash wood or marble and leather. The chest of drawers is made of ash wood and the 2 drawer fronts are covered in leather. The back of the chest of drawers is illuminated by an LED profile. All versions have two side panels and a central panel in gray tempered glass, with aluminum profiles. The back of the furniture features an ash wood panel. Made in Italy
