

# Lunaria

*Design: Roberto Lazzeroni*

## Description

Small armchair with backrest structure in profiled steel and flexible cold-foamed polyurethane, covered in fiber. The seat is made of poplar plywood with flexible multi-density polyurethane padding, covered in fiber. The upholstery, in fabric or leather, is not removable and is available in single or two-tone with the outer side in leather and the interior in fabric or leather. In both versions there is a leather strip that runs along the frame. Made in Italy.
