

Inca

Design: Valerio Sommella

Description

Office desk with top made with particleboard panels veneered in wood or with melamine coated panels. Available also partially covered in Soft leather (fixed pad). QI® wireless charging device built into the top. Includes one leg in poplar plywood covered with charcoal grey lacquered MDF panels and a left or right sideboard with frame in melamine coated panels and charcoal grey lacquered connecting element (cube-like section under the top). Return Cabinet all in wood or with the back covered in matching Soft leather (only available when the top has a fixed leather pad). The return cabinet is equipped with a plug box with retractable rotation with two universal power sockets, two USB, one HDMI and one RJ45. Handles in aluminum profile painted in titanium color. Made in Italy.
